# COMMUNITY SPIRIT

## AT IT'S BEST

The Village social evening on Monday 26<sup>th</sup> Feb was well attended as usual but it was also dramatically enhanced by the Short Mat Bowls Team setting up their equipment so that everyone could “have a go”

It started off with all the newcomers hurling the bowls at the little white ball (the jack) with immense vigour and putting those at the far end in serious peril, after some more practice there was a marked improvement and everyone had a very enjoyable time,

Many thanks go to John Spilstead and his team for setting it all up and also to those stalwarts behind the bar who seemed to be working non-stop all evening, we hope that this can be a regular addition to the social evenings and maybe some up and coming ‘bowlers’ could be found to join the team.

## Advance Notice

Following the interest at the combined Village Hall Social Night with Short Mat Bowling on Monday 26<sup>th</sup> February the bowling club plan to commence a practice session on a Wednesday evening from 7:00pm until 9:00pm. This will allow those in employment the opportunity to try bowling. The evening sessions will commence on **WEDNESDAY 17<sup>th</sup> APRIL**.

If you would like any further information please contact Gloria or John on 01805 603394 or just come along on 17<sup>th</sup> April to the Village Hall at 7:00pm.

## Short Mat Bowling in Beaford

The Beaford team have played all their games now in the Merton winter league. Although some of the other teams still have a few outstanding games to play it looks like BEAFORD has achieved third place out of 9 teams. A very credible result!

Beaford will be playing a friendly match away at Halwill on Wednesday 3<sup>rd</sup> April. This provides our bowlers with some match practice before the summer season commences on 1<sup>st</sup> May.

The club has just taken delivery of a new medium-fast bowling carpet. Our thanks go to all the grantors who helped us raise the monies, especially Beaford Parish Council for their generous donation.

**Coffee and Market morning**  
**Saturday 9<sup>th</sup> March**  
**Beaford Village hall**

Once again, the village turn up to the coffee and Market morning at the Beaford village hall. The usual stalls were in situ selling all manner of exciting items both hand crafted and local handmade produce with the usual White Elephant stall, of course Heddons was as busy as usual selling their fabulous meat, fruit and vegetables. Bacon and sausage Baps were a crowd puller together with cakes tea and coffee.

At the last Coffee and market morning the introduction of artisan bread for sale was a great success and to carry on from that success saw the introduction of a wider assortment of bread and the addition of wonderful cakes. A total sell out. Bread was being ordered (but if you haven't ordered there will still be a wide selection available) for the next market on

**13<sup>th</sup> April. Come and see, you will be surprised how amazing the market is from 10am until 1pm.**

**Also starting up again (weather permitting of course)**  
**CAR WASHING from our team of volunteers, if you**  
**can volunteer please come along to help out.**

# Wow what happened in Beaford on Saturday 16th March?

It was the famous jumble sale. The village hall car park was heaving with cars not a place to be had so the lane outside was lined with cars.

A line of people quickly formed and at least 60 were waiting for the doors to open. Wow inside they found an array of bargains. Children's toys, children's cloths books and toys, women's and menswear, kitchen gadgets and array of useful bric a brac. A truly Aladdin cave, everyone enjoyed have a good rummage around to find their outstanding buy.

Tea, coffee and cakes were being sold to the exhausted bargain hunters by an equally exhausted refreshment volunteers.

A big thank you for everyone who brought up their preloved items to be sold.

The Village Hall Committee would like to Thank everyone who was involved from setting up tables, accepting items in to be sorted and putting up for sale, the sales assistants, the coffee shop assistants and everyone who cleared and cleaned up.

# Beaford Bells – Spring Update

With Spring upon us, and with it coming warmer and lighter evenings, the Bell Tower has had a little spruce-up. Six new ropes have already been installed, and there are plans for some more improvements to the tower making it more comfortable and homely.

Since my last submission to The Bugle, we've had a new member join the team. John has embraced the training provided with great enthusiasm and is now ringing in 'rounds' as part of our team.

We have three ringers from Beaford, which is absolutely fantastic (the remainder of the team who practice on a Thursday are from other local parishes). We'd love to have more volunteers from the village to join us at practice to create a Beaford Team.

Bell-ringing (Campanology, to give it its correct name) is a fun way of making new friends; it costs nothing to join or attend and will give you a good upper-body work-out for free.

Although the Tower is part of the Church, there is no requirement (or expectation) that you should attend services. Pretty much anyone between the ages of 13 and 90 can take part, no previous experience is required, there is no financial outlay and no equipment is necessary; the only skill that is needed is the ability to count from one to six. The existing team of ringers will provide you with demonstrations, coaching and training for you to become skilled in this age-old tradition

Why not pop along to the church bell tower at any time between 7pm until 8:30pm on a Thursday evening to watch the bell-ringers in action? If you fancy a go you'll be able to try it out there and then.

To find out more about this fun and free pastime, either come along on a Thursday evening or give Martin a call on 603008

# ***News from St George and All Saints, Beaford***

## **Services for April :-**

Sunday 7 <sup>th</sup> April	9.30am	Holy Communion
Sunday 14 <sup>th</sup> April	9.30am	Morning Worship

The mobile Post Office is at the Village Hall car park 11.30am – 12.30pm.

Have a tea or coffee while you wait!

Tuesday 26<sup>th</sup> April The Cotton Wool & Yarn mobile shop will also be in the Beaford Village Car Park

## **MONDAY MORNING GROUP**

Mondays 9.30am - Friendship, Bible study and prayer, everyone welcome.

## **MESSY CHURCH**

Saturday 30<sup>th</sup> March, Easter Saturday; 2pm-3pm at Beaford Village Hall

Messy Church is for everyone; there will be some craft activities, light refreshments and a short all age song, story and prayers. This will be run by Curate Ally and volunteers.

From the Rector

Not long before his crucifixion, a group of people approached one of Jesus' disciples and asked if they might 'see' Jesus. Jesus took the opportunity to teach about his impending death on the cross, when he would be 'lifted up' and 'glorified'. You can read the story in the bible, in John 12.20-33.

Crucifixion was designed by the Romans to be the ultimate in suffering and shame. And yet, it is as Jesus is lifted up on a cross, that Jesus can be seen for who he truly is... the divine Son of God who loved us humans to the end, dying a death we deserve that we might receive the life he gives. It is as Jesus is lifted up on the cross that he is glorified... an instrument of torture becoming a throne of love. If we want to 'see' Jesus for who he truly is, then we need to look up to the cross.

Wonderful though the cross was, if that had been the end of Jesus, then what a sorry tale it would have been. But it was not. Three days later Jesus rose from the dead. Forty days after that, he ascended to another throne; this one in heaven at the right hand of God the Father.

The conviction of those who have chosen to follow Jesus and be known as his, is that Jesus is alive today. He stands at the door of each and every life, and when

we open the door of our lives, he comes in. We need never be alone again.

I still occasionally meet people who aren't sure if they would be welcome to a church service. And just occasionally I meet people who aren't sure, if they came, what they should wear, or what they would need to do. I'd like to assure everyone that they are welcome in any of our churches. There are no rules about what you have to wear. You don't even need to 'do' anything; you're welcome to just sit in the back pew and watch (as long as there's not someone there already – back pews are very popular!). If you want to 'see' Jesus, then come. If you've never met him, we'd love to introduce you. And if you haven't spoken to him in a while, we'd love to help you get reacquainted.

With best wishes

Gary

*Now there were some Greeks among those who went up to worship at the festival. They came to Philip, who was from Bethsaida in Galilee, with a request. 'Sir,' they said, 'we would like to see Jesus.' Philip went to tell Andrew; Andrew and Philip in turn told Jesus. (John 12.20-22; NIV version)*

## **Can you play a pipe organ?**

Come and earn some extra cash playing at Weddings, Funerals and Sunday Services

Contact – Rob Pearce 01805 603017

# BEAFORD CHURCH ORGAN APPEAL

We are making an appeal for funds for our Organ which has been in our Church since 1959. The organ has been regularly serviced but due to not being used it has been deteriorating and unfortunately the pedal section is not working on all the pedals. Unfortunately, replacement boards are no longer available and some of the required components are no longer available.

Therefore, the cost for repairs is in excess of £4000.00. If we can raise funds for this repair, we will be able to see the organ being played for at least another 50 years at Weddings, Funerals and Services.

Please can we ask that you give a donation to this much needed work, as much as you can afford, it will be very much appreciated. Thank you

Yours sincerely

Rob Pearce – Focal Minister  
Richard Heard – Synod Rep for PCC  
Marlene Jury – Church Warden

Contact Rob Pearce on 01805 603017 for further details

## NOTICE - PLANT SALE APRIL 2024

John and Gloria will be holding a sale of flower & vegetable plants at the church coffee morning on Saturday 27<sup>th</sup> April from 10:00am until noon.

Any donations of unused flowerpots or trays will be gratefully received. These can be left at 'Birdsong' on the main Exeter Road or their collection can be arranged tel: 01805 603394.

All proceeds will be going to the church flower fund.

Now that it's officially spring let's think about the beautiful part of the world we live in and take advantage of our very own

# Exmoor National Park

Wild Coast Exmoor's 34-mile-long (55-kilometre-long) shoreline is one of the wildest and most remote in England. The six-mile (ten-kilometre) stretches between Combe Martin and Heddon's Mouth, and from Countisbury to Glenthorne, boast such steep cliffs that the water can't be reached by land and few places exist to beach even a small boat. Other parts of the coastline are covered with woodlands running right to the beach, a rare sight in UK.

Moors and Valleys Exmoor is a rolling, open expanse coated with heather moorland and cut by wooded combs, or valleys. Here wild animals such as red deer share space with the sheep and cattle whose ceaseless grazing over the centuries has helped to shape the landscape itself.

Top Cliffs The White Cliffs of Dover may be better known but the highest sea cliffs on the British mainland are found in Exmoor. Great Hangman, near Combe Martin, has a face some 800 feet (250 meters) high. Some of the park's sea cliffs also feature spectacular waterfalls. Hollow Brook at Martinhoe is among the highest in Britain and plunges some 655 feet (200 meters) to the sea.

Wildlife The heath fritillary butterfly, or woodman's follower, is one of Britain's rarest but can be seen here along the fringes where forests border areas of open space. Exmoor ponies, several hundred of which roam the

park, may be the closest living relative of the wild prehistoric steeds that once roamed Europe. The ponies aren't wild, however; they are part of park and privately owned herds turned loose to graze on the moor.

*Human History* Humans have inhabited Exmoor for some 10,000 years and left behind tangible evidence of many a bygone era. Prehistoric standing stones, hut circles, and almost 400 burial mounds lie within the park's borders. The Romans left fortifications behind, and three Norman castles survive. The medieval period saw the construction of priories and the landscape settled into a patchwork of farms and settlements, which, in rough form, still exists today.

*How to Get There* Taunton, Tiverton Parkway, and Barnstaple are nearby rail centres; each is linked by bus to Exmoor. Exmoor itself is served by a network of local bus routes, and coaches can be flagged down anywhere on the moor. In peak summer months the Moor Rover carries everything from luggage and bikes to pets and makes moving from place to place throughout the park easy.

# ***Sally's recipe for April***

## **ICED APRICOT FRUIT LOAF –**

**Makes 1 x 2lb/900g Loaf**

3oz/75g Glaced Cherries

3 Large Eggs

6oz/150g S.R. Flour

4oz/100g Soft Margarine

4oz/100g Soft Muscovado Sugar

4oz/100g Ready to Eat Soft Apricots Diced

5oz/150g Sultanas

### **Icing –**

4oz/100g Icing Sugar sifted

1 Tablespoon Apricot Jam

1 Tablespoon Water

2 Apricots chopped

**Pre-heat Oven 160c/140c fan, 325f, Gas 3.**

Grease and line tin

Quarter cherries, wash and dry

Mix in all ingredients, Mix Well

Then put into prepared tin and level the top.

Bake for 1 hour 10mins or until cake is golden and firm

A skewer inserted should come out clean.

Cool for 10 mins then put on rack to cool.

Sift icing sugar into a bowl, heat the jam and water together

mix with the icing sugar Smooth over the top of the cake

sprinkle a few chopped Apricots to decorate.

**Enjoy**

## An Interview with a speed watcher from our Beaford team

From starting as a part of the speed watch team my thoughts on driving through small villages that are on main roads has changed, You become more aware of what is around you, for instance parked cars, so you can pull in when you have oncoming traffic, school signs and are there any elderly people walking through the village that may want to cross the road?

Many drivers coming through Beaford do not seem to have any comprehension of the speed they are doing especially by the school sign.

On average the number of cars driving through the village that are speeding is 10 %. There are occasion when the odd driver becomes vocal or gives gestures which I can assure you are not meant to be supportive of our work but that's all part of the job.

We have also been appreciated both by car drivers and villagers walking through the village who recognise the importance of maintaining the speed limit through our village.

Overall, it was recorded that the number of speeding cars has shown a decrease

*since the inception of speed watch in our village. We have a good laugh waiting for the cars to come through the village and enjoy seeing and chatting to everyone. Do you fancy joining the speed watch team? If so, please e-mail Sam at - [samwhellan@btinternet.com](mailto:samwhellan@btinternet.com)*

## ***Save your used postage stamps for RNLI***

There is a box located in Beaford Village Hall where you can put all your used postage stamps, please trim the edges leaving a 1cm paper border. The RNLI can raise up to £20 per kilo for their charity. Please help if you can.

# ***Gardening Tips for April***

## Ornamental Garden

- Sow hardy annuals and wild flower seeds
- Remove faded flowers on spring bulbs but not the foliage until it has withered.
- Mulch beds and borders.
- If the weather is mild, trim the weak or straggly growth of sage and rosemary.
- Check evergreens for any frost damage – lightly prune if necessary.
- Look out for early aphid attacks and treat if necessary. Pests will be active outdoors as the weather gets warmer.
- Sweet peas can be direct sown now to produce plants that flower later
- Prune early flowering shrubs such as forsythia etc.
- Feed roses
- Move existing evergreens if necessary.
- Trim back frost-damaged foliage.
- Plant summer flowering bulbs, corms and tubers including dahlia, gladioli and canna.
- Apply a combined lawn fertiliser to combat weeds and moss while giving a boost of nutrients.

## Vegetable Garden

- Sow herbs
- Continue planting potatoes and finish planting onion sets by mid-April.
- Direct sow vegetables such as beetroot, carrots, lettuce, radish, turnip, peas, spinach and parsnip.
- Prune young stone fruit trees such as cherries and plums as leaf buds open.

Sow tomatoes in preparation for planting outside in the summer

# **COTTON&WOOL ON WHEELS – MOBILE YARN & CRAFT SHOP**

Have you met Gemma our local mobile craft lady.

She was at the Beaford Village Hall Car Park for the Coffee and Market morning in March. She will be visiting Beaford again on Tuesday morning the 23<sup>rd</sup> April which coincides with the warm hub and the mobile Post Office, so come along have a free tea or coffee draw some money from the post office and then purchase all your crafting needs from Gemma.

Gemma is also hosting a Glass Fusing workshop in Beaford Village Hall on Monday 29<sup>th</sup> April.

**Contact – [gemma@cottonandwool](mailto:gemma@cottonandwool)**

**for further details.**

# BEAFORD REMEMBERS

## D DAY JUNE 6TH 1944

### 80 Years on

It was called Operation Overlord by the allied commanders, the day when the free world invaded “Fortress Europe” and started the long slog to Berlin, fighting the might of the German Army, Air Force, Navy and their allies all the way. It was on the morning of June 6<sup>th</sup> 1944 that the combined armies of Britain, America and Canada stormed the beaches of Normandy on the French north coast.

First to go in (6:30) were the Americans towards the west of the coast these were designated the codenames of UTAH and OMAHA, next were the **British** (7:30) their targets were GOLD and SWORD beaches towards the east and then the \Canadians attacked JUNO (8:00)

Altogether some 160,000 troops crossed the channel that day and over two million allied soldiers, sailors, airmen, medics and others from a dozen countries were involved in Operation Overlord.

It is still unknown exactly how many were killed on those beaches, historians are still trying to establish the figured 80 years later.

This is why **Beaford** will honour those brave men and women who fought for our freedom by lighting the beacon on **Doorstep Green on June 6<sup>th</sup> at 9:15pm**. BBQ and bar will open from 6pm

# A Date to put in your Diary as Beaford remembers D Day 80 Years on

Join the celebrations in the **village hall** on  
**Saturday 8<sup>th</sup>** with wonderful entertainment, hog  
roast and bar from 6pm.

Come and investigate the mock up Trenches  
complete with gas masks, ammo boxes, ration cards and  
much more. Look for the unexploded bomb!

## HIGHLIGHTS OF THE FEBRUARY BEAFORD PARISH COUNCIL MEETING

1. The Village Green, councillors have requested the Green is cut early so the contractor will be contacted.
2. DOG WASTE, the dog bin at Shepherds Meadow is having the poo bags left around it and not placed in it, PLEASE USE THE DOG WASTE BINS FOR PUBLIC HEALTH AND TIDYNESS, THANK YOU.
3. Cllr Lock reported that at the last full TDC meeting the precept increase will be 2.99%, 62% of properties in Torridge are in Bands A, B, C or D.
4. The flooding was discussed at Caddsdawn, the details have been sent to Cllr Saywell.
5. Speedwatch Cllr Pearce would like to step back from his role on the Speedwatch team, a successor needs to be appointed, if anyone would like to join the Speedwatch team, training is given please contact Cllr Pearce for more information. Cllr Pearce was thanked for all his effort, hard work and dedication he has put to the role.
6. The voluntary post of Road Warden, a volunteer is sought.
7. Grit for anyone requiring any, a supply is in the grit bin by the school.
8. The DCC website is [devon.cc/report-it](https://www.devon.gov.uk/report-it) or ring 0345 1004 115 Please keep reporting, pot holes, road defects, signs, blocked drains etc. if there is something that needs urgent attention like blocked drains causing icy roads etc please ring in, see number above, a quicker response is more likely, then make a note of the reference number, “what three words” can be used to identify the location
9. The next meeting is to be held on Wednesday 27<sup>th</sup> March 2024.

# ***Waste info over Easter***

With the Easter bank holiday fast approaching, Torridge District Council is reminding residents that there will be some changes to their usual waste and recycling collection days.

All refuse and recycling collections normally due on Friday 29th March (Black Bag, Recycling, Garden Waste) will be collected one day later on Saturday 30th March.

Collections for the week commencing Monday 1st April will also be one day later than usual for the whole week.

The normal collection schedule will resume from the week starting Monday 8th April. For further information on collection dates and times, please visit our website at: [www.torridge.gov.uk/forms/firmstep/wastecalendar.html](http://www.torridge.gov.uk/forms/firmstep/wastecalendar.html)

Easter egg packaging is made of various materials such as cardboard, plastic, and foil. These materials can be easily and widely recycled, please see what goes where below;

**Cardboard box - Brown bag**

**Plastic egg packaging - Green box**

**Foil wrap - Green box**

More recycling tips can be found at [www.torridge.gov.uk/recycling](http://www.torridge.gov.uk/recycling)

**Councillor Chris Leather, Lead Member for Waste & Recycling said;**

"Easter eggs and other gifts typically generate more waste, so it is important that we keep on recycling throughout the bank holiday weekend. Please check the council's website and social media for more information. Thank you for recycling and supporting the service. I hope that everyone has a great Easter and enjoys the bank holiday weekend!"

## Keep the Date

**Saturday 17<sup>th</sup> August**

**At Beaford Village Hall**

**A Walk through the Old Testament**

Further information on this live event will be in next months Bugle
